Excerpts from Green Diary XI, Relevant to
the Subject DSF\NIHDIR\Xit

Monday June 22, 1981

An early call on the Secretarial "hot-line from the Secretary.

"Don, I want to thank you for the wary things were handled-- in the press and all--I think we came through this very well."

I thanked him for his letter and agreed that all had gone smoothly. . . We then discussed his upcoming visit.

Tom Malone is still certain that some Darth Vader from the White House will strike down my flight!
